THE ILITCHES AND THE COMMUNITY

When it comes to the diverse needs of the metro Detroit residents and their communities, the words "sincere" and "compassionate" best describe the Ilitch family's response. Their personal and financial commitment to help others covers a wide spectrum of areas including amateur sports, hunger, the homeless, and the arts.

From the opening of the first Little Caesars Pizza restaurant in Garden City, Michigan in 1959, they established a philosophy of giving back to the community through support of grass roots programs and amateur sports sponsorships.

With the purchase of the Detroit Tigers comes a commitment to strengthen ties with Detroit area residents. The first step taken to make this commitment a reality was the establishment of a special section in the ballpark that will be used by community groups to attend Tiger games.

Other plans for the team include community outreach through a speakers bureau and Tiger alumni association community activities.

More than 50,000 children participate in Ilitch-sponsored amateur soccer, hockey, softball and baseball leagues, as well as attend camps hosted by professional sports athletes.

In baseball and softball, the family also has sponsored the Seniors Softball World Series, the Little Caesars Amateur Baseball Federation consisting of 100 teams in the Detroit area, the Detroit Classic Softball Tournament, and all-pro baseball camps.

Through Little Caesars Pizza, the Detroit Red Wings, and other Ilitch-owned companies, the Ilitches' generosity has reached a variety of respected, non-profit organizations including the March of Dimes, the Special Olympics, the YMCA, the NAACP, and Children's Hospital. In addition, Little Caesars Pizza has served as a national sponsor of the Easter Seal Society for five years, raising more than $1 million to help people with disabilities achieve independence.

Perhaps one of the best examples of the family's dedication to the community is the establishment in 1985 of the Little Caesars Love Kitchen Foundation – two mobile pizza restaurants that serve free pizza to needy people at soup kitchens and shelters throughout the United States and Canada. The Love Kitchens have visited 48 states, three Canadian provinces, and fed more than 800,000 homeless and hungry people.

In 1991, President Bush bestowed Presidential Citations for Volunteerism on employees and franchisees throughout the Little Caesars family for contributions made to the Love Kitchen. Little Caesars also received a Presidential Citation for Private Sector Initiatives for the program during the Reagan administration.

Mike Ilitch has been honored by many organizations because of the family's dedication to the community. Two examples are the Giant Steps Award from the Northeastern University Center for the Study of Sport in Society, for his dedication to community affairs (1991), and Sports Illustrated magazine's Joe Louis Award for Outstanding Achievement and Excellence as a member of the Detroit community.

MICHAEL ILITCH
Owner, Chairman of the Board

When Michael Ilitch purchased the Detroit Tigers, it was the fulfillment of a lifelong dream. For Detroiters, it was much more. It was the signal of a long term commitment to the City of Detroit and the Detroit Sports Community.

"My family and I are ecstatic," Mr. Ilitch said at the announcement of his purchase of the Detroit Tigers on August 26, 1992. "It is the achievement of a lifelong dream for me – the icing on the cake."

Mr. Ilitch is a sports fan who enjoys the competitive aspects of team ownership. He understands the importance of winning and looks forward to building teams that will bring the World Series Championship and the Stanley Cup to Detroit sports fans.

"We have the best sports fans in the country," he said. "We want to give them the best and make it fun when they visit the park. I want to win! I WANT TO WIN!"

Mr. Ilitch recalls growing up in Detroit in an era when the Tigers were magic and talk of the team, the personalities of the players, and last night's score were central to every dinner-time conversation. He hopes to restore some of that magic.

His love for the Tigers came at an early age, and he turned a boy's love for the game into a professional baseball career. After playing for Cooley High School and in the Marines, he signed a minor league contract with the Tigers in 1952 for $3,000.

He hoped that his .340 batting average would give him a shot at the major leagues, but his goal went unrealized. He played in the Tiger system through 1954, when a knee injury ended his career.

In 1959, he and his wife, Marian, opened a pizza restaurant in Garden City called Little Caesars Pizza. This modest enterprise was the foundation for what has become one of Detroit's greatest success stories. It is the world's largest carry-out pizza chain, with more than 4,500 restaurants in the United States, Canada, England, and Puerto Rico.

Over the last five years, Little Caesars has tripled its systemwide sales and, in 1992, registered sales of more than $2 billion.

In 1992, Nation's Restaurant News ranked Little Caesars first in United States systemwide sales growth, and first in growth of U.S. units over all pizza chains. The company posted 25% increases in both categories.

The success of Little Caesars has opened many doors for Mr. Ilitch. It was this success that made it possible for him to purchase the Detroit Red Wings on June 22, 1982. Through the tireless efforts of Mr. and Mrs. Ilitch and their family and staff, the Red Wings have become a profitable and competitive enterprise. In 1992, Financial World magazine reported that the Red Wings were the most valuable franchise in the National Hockey League.

Mr. Ilitch also owns the Detroit Drive arena football team, which he purchased in 1988. In the five years of his ownership, the team has won four Arena Football League championships.

To complement his sports/entertainment holdings, in 1982 he purchased Olympia Arenas, Inc. (OAI), the management company for Joe Louis Arena (the Red Wings' home ice), Cobo Arena in Detroit, and the Glens Falls Arena in New York. The nationally known Fox Theatre (owned and operated by Mr. Ilitch) in downtown Detroit was added in 1988 and, beginning with the 1992 concert season, OAI became the management company for the Meadow Brook Music Festival – an outdoor entertainment center – at Oakland University in Rochester Hills, MI.

Mr. Ilitch is highly respected as a business and community leader. He has been the recipient of many honors including Nation's Restaurant News' 1992 Golden Chain Award for outstanding leadership and significant contributions to the food service industry; the 1991 Humanitarian Award presented by Variety – The Children's Charity – for efforts toward making the world a better place; the 1990 Business Statesman Award presented by the Harvard Business Club of Detroit for outstanding business leadership and performance, contributions to economic development in the state of Michigan and dedicated service to the community; and the 1990 National Preservation Award presented by the National Trust for Historic Preservation for restoration of the Fox Theatre.

The secret of his success? He loves his work. When he announced his purchase of the Tigers, he said, "You can do a lot on love. When you love something, it's not work."

MARIAN ILITCH

Owner, Secretary-Treasurer

Marian Ilitch, owner and secretary/treasurer of the Detroit Tigers and all other Ilitch companies including Little Caesar Enterprises, Inc. and the Fox Theatre, has combined her love of sports and keen financial expertise to help create several of the most successful and exciting sports/entertainment entities in the country.

When she and her husband, Mike, purchased the Tigers in 1992, they added the ballclub to their impressive sports holdings of the Detroit Red Wings and the Detroit Drive. Recently, the Red Wings were named as the most valuable franchise in the National Hockey League (NHL), and the Drive has been a top performer in the Arena Football League for the last five years.

In addition, the Fox theatre was named as the top-grossing theatre of its size for both 1992 (Amusement Business magazine) and 1989 (Performance magazine).

Mrs. Ilitch, who was named by USA Today as one of the most powerful executives in the NHL, has been the quiet financial driving force behind the Little Caesars success story since 1959. Under her financial guidance, the company has grown into the world's largest carry-out pizza chain with more than 4,500 restaurants worldwide.

Working with her husband has produced a uniquely-suited management team whose skills and strengths complement each other. Mrs. Ilitch is the person who oversees all finances, investments and application of financial systems in all Ilitch-owned companies.

She is well-known as detail-driven, highly organized, a perfectionist, and extremely energetic.

As the founder of a family business that has grown into a multi-billion dollar per year enterprise, Mrs. Ilitch has helped to establish and maintain the family culture of all of the companies. With her common sense approach to business and her belief in keeping business in small, manageable portions, she has helped create a corporate culture that maintains a small company's characteristics and a family atmosphere as it grows.

Though Mrs. Ilitch dreams of building Little Caesars restaurants in every corner of the globe, she always has felt that it is more important to be the best than it is to be the biggest.

While she and Mr. Ilitch were cultivating their businesses, Mrs. Ilitch worked full-time and raised seven children at the same time – which attests not only to her boundless energy, but to her organizational skills as well.

Through the years, she also has taken an active part in community service. She was co-chairman for the Easter Seal Telethon in 1985 and 1986, and has helped raise funds for Detroit's Children's Hospital. She also has set up scholarships at several Detroit-area colleges to encourage educational opportunities for mothers who work outside the home.

Mrs. Ilitch received the Pacesetter Award from the Roundtable for Women in Foodservice in 1988 for outstanding contributions to the foodservice industry.

HOW THEY BECAME TIGERS

Research reveals that the nickname "Tigers" first was applied to the Detroit baseball club in 1895.

Baseball historians long credited Philip J. Reid, city editor of the Detroit Evening News, with first using the name in print in 1896, although George Stallings, manager of the Detroit team which was then a member of the Western League, took credit for the move which resulted in the nickname when he put his players in black-and-brown striped stockings which, he said, reminded the fans of "tiger stripes."

Later evidence makes it appear that an unidentified headline writer at the Detroit Free Press actually originated the Tiger nickname in 1895, a year before Stallings became manager and before the team was wearing striped stockings. In its early years, the team was simply called "Detroit," "the Detroits," sometimes the "Wolverines" (a name more familiarly associated with the University of Michigan) and at times the "Creams."

The "Creams" broke into print in 1894, the year Detroit entered the Western league under the ownership of G.A. Van Derbeck, a transient from Los Angeles. A writer of the time derisively referred to his aggregation as "what is purported to be the cream of California baseball players' — which may account for the name.

Then on April 16, 1895, the Free Press printed a headline over a baseball story which read: "Strouthers' Tigers Showed Up Very Nicely." On the same page, a string of baseball notes was headed: "Notes of the Detroit Tigers of 1895." Curiously, not once in either story was the word "Tigers" used.

From then on, the Free Press fairly regularly called them the "Tigers" and in May, 1895, the Sporting Life began using "Tigers" in its dispatches from Detroit. However, up to July 1, 1895 careful search of the files disclosed that neither the Detroit Evening News nor its Sunday paper, the News-Tribune, had used "Tigers."

Thus it seems that the Detroit Free Press must get credit for originating the Tiger nickname in 1895 — unless someone has other new evidence to the contrary.

TIGERS UNDER THE LIGHTS

The first night game the Tigers ever played was June 20, 1939, when they blanked the Athletics, 5-0, at Philadelphia — one of three cities (along with Cleveland and Chicago) to launch night play in the American League that year.

The Tigers' first night game under the lights at Tiger Stadium was June 15, 1948, when they again defeated the A's, 4-1. The Tigers, last of the American League's then-eight teams to install lights, scheduled only seven night games that year but soon doubled the number, then proceeded to the current level of 50-55 at home per season.

SCOTT FISHER
Controller

Ewald joined the Tigers September 1, 1978 as assistant director of public relations after two years as sports editor of the Grand Rapids Press and nine years in the newspaper business.

He had spent seven years in the sports department of the Detroit News, the last four, 1973-76, as the newspaper's baseball writer.

In 1979, Ewald was named director of public relations. In his 14 years as director, Ewald has authored a pair of books with manager Sparky Anderson. The first, "Bless You, Boys", was a daily account of the Tigers' 1984 World Championship season. It reached the New York Times bestseller list.

The second work, an account of Anderson's baseball career called "Sparky", was published in 1989.

A graduate of Wayne State University, where he also attended graduate school in American literature, Ewald had other experience in advertising and with a suburban newspaper.

Born in Detroit on May 3, 1945, Ewald attended Redford St. Mary's High School, where he competed in several sports. He is the father of one son and one daughter, Danny and Andrea, and he makes his home in Troy, MI.

TIGER STADIUM FACTS

The evolution of Tiger Stadium continued under the new ownership of Michael and Marian Ilitch.

In January, 1993, an $8 million renovation of Tiger Stadium was undertaken to be completed by Opening Day, including the facelift of the traditional "corner" at Michigan and Trumbull and the construction of the new, fan-friendly Tiger Plaza.

The Tiger Plaza occupies the old employee parking lot, an area previously bound by the ticket office, Trumbull Avenue ticket booths, and Michigan Avenue wall.

Also included in the 1993 renovation were the installation of a color video scoreboard and the enhancement of the Tiger Den seating area.

Previous improvements to Tiger Stadium began in 1977 and were completed in 1983, including installation of a $500,000 multi-vapor field lighting system, installation of modern, plastic seating, a $2 million electronic scoreboard, new radio and television broadcast facilities, and a complete external facelift.

The 1977 reconstruction of a $600,000 press box replaced the open-air press area that burned in a February 1, 1977 electrical fire.

Seating capacity (subject to to final adjustments) is projected at 52,416 with 11,732 box seats, 23,611 reserved, 6,269 reserved grandstand, and 10,804 bleachers.

Baseball has been played on the site of Tiger Stadium since 1900, a year before the American League was born with Detroit as a charter member. Known as Bennett Park at that time, it became Navin Field in 1912, Briggs Stadium in 1938, and Tiger Stadium on January 1, 1961.

Tiger Stadium is owned by the City of Detroit, which purchased the plant from then-owner John E. Fetzer for $1.00 in November, 1977. The City of Detroit then leased the stadium back to the Tigers for 30 years, with a 30-year renewal option.

George Lee Anderson
Manager

Nickname: Sparky. Born: Bridgewater, SD 2-22-34 (59) 5-9 170 B-R T-R. (Infielder). Married: Carol Valle. Children: George Jr., Shirlee Trece, Albert William. Residence: Thousand Oaks, CA.

Sparky Anderson has a knack for re-writing history every season.

In 1992, Sparky made a major notch when he became Detroit's all-time winningest manager. In 1993, the stakes are just as high as he becomes just the 7th manager in history with more than 2,000 wins.

On Sept. 27, 1992, Sparky recorded his 1,132nd win as a Tiger manager, surpassing the old mark of 1,131 held by Hughie Jennings since 1920.

Sparky enters 1993 with 1,996 major league victories, 7th on the all-time list. At No. 6 is Leo Durocher with 2,010 and at No. 5 is Walter Alston with 2,040.

Sparky Anderson is a lot more than baseball numbers and statistics. He's an animated ambassador of baseball, spreading the good word of the game wherever he goes.

Along the way, Sparky has collected Hall of Fame numbers that sparkle like diamonds on all the record lists.

Along with the Detroit franchise record, Sparky also tops the Cincinnati list with 863. He's the only manager in history to win more than 800 games with 2 teams. He's also the only manager to currently lead 2 franchises in all-time victories.

Sparky has a 23-year major league record of 1996-1611 (.553). His overall winning percentage is 10th highest of 20th century managers with at least 10 years experience.

Sparky is the dean of the American League with only Los Angeles' Tommy Lasorda with more continuous service among major league managers.

Hired on June 12, 1979, Sparky was in uniform two games later. The Tigers matured with his guidance, rising from 5th place in 1980, his first full season at the helm, to just missing post-season action in 1981.

Sparky molded his team and saw the fruits of his labor take shape with a 2nd place finish in 1983. Then the Tigers astounded the baseball world with a season which may never be seen again. The 1984 Tigers exploded to a club-record 104 victories then swept Kansas City en route to the World Series. Once there, San Diego proved no match, falling in five games.

Sparky was honored as American League Manager of the Year and took his place in baseball history. No other manager can boast 100-win seasons in each league; playoff sweeps in each league; a World Series title in each league.

One of Sparky's proudest seasons was 1987. Picked by many to finish 5th, the Tigers battled all year to take the East Division title. Again Sparky was named Manager of the Year. Picked by many to finish 5th in 1988, the Tigers battled to within one game of repeating as East Division Champions.

The Tigers knew what they were getting when Sparky joined the team. His reputation and accomplishments with Cincinnati were well documented. The Reds were one of baseball's most formidable teams in his command, 1970-1978. His record (863-586, .596) was the best in the National League during that time.

Sparky's Reds won five West Division titles, four pennants and a pair of World Series. Cincinnati became only the 3rd National League team and the first in 54 years to win back-to-back World Series in 1975-76.

He has been NL Manager of the Year twice (1972 and 1975) and perennially involved with the All-Star Game. Sparky has managed the NL four times and the AL once.

Born February 22, 1934 at Bridgewater, SD, Sparky grew up in California. He played in the minor leagues for six seasons as an infielder.

In 1959 Sparky played for the Philadelphia Phillies, his only season in the major leagues. However, upon returning to the minors he honed his managerial abilities and was named to his first assignment in 1964 at Toronto.

SPARKY'S TIGER TIES

Sparky Anderson's first game at Detroit didn't come in 1979 when he was named manager of the Tigers. It came almost 30 years earlier when he and Coach Billy Consolo were members of the 1951 Crenshaw Post of Los Angeles which played for a national championship in American Legion ball at Briggs Stadium.

Sparky also managed an All-Star Game, on the National League side, at Tiger Stadium in 1971. The American League won that game, 6-4.

Charlie Dressen is the man Sparky credits for having the greatest influence on him in becoming one of baseball's most successful managers. Dressen managed the Tigers 1963-1966.

WHAT'S IN A NAME

Interesting nicknames? The Tigers have had a few players with famous and unusual monikers over the years. There were the famous (Schoolboy Rowe), the obscure (Pepper Peploski) and many in between. For instance: Soldier Boy Murphy and Sailor Stroud suited up for Detroit, as did Piano Legs Hickman, Baby Doll Jacobson and the Wilson trio, Mutt, Icehouse and Squanto. Other nicknames from the All-Time roster include Mark **The Bird** Fidrych, **Hooks** (Dauss), **Snooks** (Dowd), **Razor** (Ledbetter), **Rip** (Radcliffe), **Hack** (Simmons), **Rocky** (Colavito), **Muddy** (Ruel), **Stubby** (Overmire), **Tubby** (Spencer), **Baldy** (Louden) and **Slim** (Love). But, perhaps the topper was John Francis Gammon, better known as Phenomenal Smith.

TIGERS LEAD IN TRIPLE PLAYS

Skeeter Barnes' heroics on July 3, 1992 helped to continue an historic Tiger reign in triple plays. His work gave the Tigers their 32nd, more than any team in Major League Baseball history.

The Pittsburgh Pirates and St. Louis Cardinals are tied for the National League lead with 30.

The Tigers of 1908 made two triple plays (both against the Red Sox) to start their historic run of three-ply killings. The 1911 Tigers posted three triple plays.

If you want to know where charity begins in Tiger Stadium, start with sections 535 through 537. It's the new Community Corner, sponsored by Health Alliance Plan. This season, at every Tiger home game, HAP is donating 100 free tickets to deserving charities.

In addition, HAP members will receive $2.00 off a $7.00 Community Corner grandstand ticket when they show their HAP membership card at the Tiger Stadium Box Office.

We're proud to join the new Detroit Tigers Management Team by sponsoring the Community Corner.

Because sometimes you don't need medicine to make people feel good. All it takes is a good view of the game.

HITTING FOR THE CYCLE

Since 1900, major league batters have hit single-double-triple-homer in a game 184 times—93 in the American League and 91 in the National League.

Seven Tigers have hit for the cycle (see table below). The last was Hoot Evers, Sept. 7, 1950 in a 10-inning tie with Cleveland at Briggs Stadium.

Fans at Detroit have seen 10 players hit for the cycle, five Tigers and five opponents (see table below).

Only one player hit for the cycle in 1992. That was Houston's Andujar Cedeno versus St. Louis in a 13-inning affair on Aug. 25.

Bob Meusel of the Yankees set the major league record for the most times hitting for the cycle with the third of his career at Navin Field July 26, 1928. The Cubs' Babe Herman tied the record in 1933.

CLEARING THE ROOF

Since Tiger Stadium was rebuilt along its present lines in 1938, 25 home runs have been hit over the roof and out of the stadium. Twenty-two have gone over the rightfield roof and three over the more-distant leftfield roof.

On Aug 25, 1990, Cecil Fielder became the first Tiger to clear the leftfield roof with his 4th inning blast off Oakland ace Dave Stewart. Fielder's was the first home run over the leftfield roof in 22 years, since Washington's Frank Howard on May 18, 1968. Minnesota's Harmon Killebrew hit the first of the three leftfield shots on Aug 3, 1962.

Fans recall a number of long home runs hit out of the stadium before it was remodeled into a complete double-decker. The most historic of these was the 700th home run of Babe Ruth's career on July 13, 1934—a blow which cleared the rightfield wall and rolled several hundred feet down a street leading to the stadium. Even longer was a Ruthian blast of June 8, 1926 which also cleared the wall and came to rest nearly two blocks down Plum Street. The ball was retrieved some 800-850 feet from home plate by a youngster who received a $20 bill (borrowed from a teammate) for returning it to the Bambino.

TIGER POST-SEASON HISTORY
WORLD SERIES

1907—Chicago 4 games, Detroit 0 (Plus 12-inn. tie)

Manager Frank Chance's National League champions by 17½-game margin were easy winners over Hughie Jennings' tired Tigers, who nosed out Philadelphia by six points in bitter finishing drive. Tiger morale suffered when Catcher Charlie Schmidt failed to hold 9th-inning third strike which would have ended first game on winning note. Darkness brought 3-3 tie in 12 innings and Cubs, who stole 18 bases during series, went on to well-deserved triumph.

Tigers scored 15 runs in first three games, then were shut out twice. George Mullin won Detroit's only victory in third game with help of four hits by Ty Cobb.

Honus Wagner batted .333 for Pirates in duel with Ty Cobb, who hit .231 in his last World Series. Bill Abstein, Pirate first baseman, fanned 10 times and was fired as soon as series ended.

After losing three of first four games, Mayo Smith's Tigers stormed back for three straight over Red Schoendienst's Cardinals as series MVP Mickey Lolich won three games. Al Kaline got chance in his first World Series after 16 years with Tigers when Smith broke up regular outfield by moving Mickey Stanley to shortstop to make room for Kaline. Denny McLain, Tigers' 31-game regular season winner, lost opening game when Bob Gibson fanned 17; split two later decisions.

TIGERS ON THE AIR

RICK RIZZS arrived on the Tiger radio scene in 1992 after 17 years in sports radio and television broadcasting. He calls four innings in Detroit's three-man radio team.

A native of Chicago, Rizzs spent nine years, 1983-91, calling play-by-play for the Seattle Mariners on both radio station KIRO and KSTW-TV with Dave Niehaus.

Prior to joining the Mariners, Rizzs worked all over the United States in an eight-year period, making his way up the broadcasting ladder.

After graduating from Southern Illinois University (SIU) in Carbondale, IL in 1975, Rizzs began a series of four minor league baseball jobs when he called games for the San Diego Padres' AA affiliate Alexandria Aces.

When the Padres changed AA affiliations and moved to Amarillo, TX, Rizzs followed. He was named assistant general manager and supervised sales and promotions while doing radio play-by-play for the Amarillo Gold Sox from 1976-78.

The Memphis Chicks, AA club for the Kansas City Royals, beckoned in 1978 and Rizzs moved again. He assumed play-by-play duties for 1979 and 1980 with the Chicks and took over as sports director at radio station WMPS.

In 1981, Rizzs was named sports director at WBNS Radio in Columbus, OH, and announced Ohio State football and AAA Columbus Clippers baseball for two years. He was named Ohio Sportscaster of the Year by the Ohio Sportscasters Association in 1981.

Rizzs, 39, was born November 17, 1953. He is married and resides with wife, Kristi, and son, Nick, in Bloomfield Hills, MI.

With his induction into the National Baseball Hall of Fame in 1981, **ERNIE HARWELL** will forever be linked with the all-time baseball broadcast greats.

A fixture on Tiger radio from 1960-91, Harwell returns to the Tiger broadcast booth in 1992 to join partners Rick Rizzs and Bob Rathbun.

Harwell's radio career began in 1940, when he originated a nightly sports news broadcast for Atlanta radio station WSB. Following four years in the Marine Corps during World War II, Ernie returned to Atlanta as broadcaster of the Southern Association's Atlanta Crackers.

In 1948, the Brooklyn Dodgers beckoned, making Harwell their play-by-play broadcaster. In 1950, Harwell moved to the Giants, and then to the Orioles, before landing in Detroit in 1960.

One of Harwell's biggest thrills as an announcer was Bobby Thomson's playoff home run in 1951. He was doing the first coast-to-coast telecast of a major sporting event with that game.

Harwell's awards and accolades have been numerous. Among them, *Sports Illustrated* selected him as the radio voice for its all-time dream baseball team in 1985. In 1989, Harwell received a coveted honor, induction in the National Sportscasters Hall of Fame by a unanimous vote.

Born in Washington, GA on January 25, 1918, Harwell is a graduate of Emory University and it was there that he first met Lulu Tankersley, who would eventually become Mrs. Harwell. They have two sons, William Earnest and Gary Neville, and twin daughters, Julie and Carolyn.

Ernie and Lulu Harwell reside in Farmington Hills, MI.

BOB RATHBUN enters his second season in Tiger baseball, calling play-by-play for the Tigers' flagship radio station WJR.

Rathbun is a 13-year veteran of baseball play-by-play and has spent the last 15 years in sports broadcasting.

A 1975 graduate of Catawba (NC) College, Rathbun began his radio career with station WTAR in Norfolk, VA, the flagship for the New York Mets' AAA affiliate, the Tidewater Tides. After joining WTAR as sports director in 1978, a position he held through 1990, he called play-by-play for Tidewater from 1980 through 1986.

In 1987, Rathbun began a variety of sports television play-by-play work, most visibly as a backup on the Baltimore Orioles' cable television network, Home Team Sports (HTS), through 1991.

Named Virginia Sportscaster of the Year six times, Rathbun's broadcast portfolio also includes college baseball with ESPN, college basketball with HTS, Jefferson Pilot, and NCAA productions, and college football with Host Creative Communications.

Prior to moving to Detroit, Rathbun served as sports director for television station WTKR in Norfolk from September, 1990 to December, 1991.

Rathbun was born in Wakefield, RI, November 25, 1954. He and his wife, Mary Beth, reside in Dearborn, MI.

TIGERS ON THE AIR

AL KALINE teams with fellow Hall of Famer George Kell for his 18th season analyzing Tiger baseball on Detroit's over-the-air network, flagshipped by WDIV-TV.

Following his retirement as a player in 1974, Kaline took his place on the broadcasts in 1976, working with Kell, Larry Osterman, and Don Kremer. By 1980, Kaline and Kell were the anchors of the broadcasts and have remained so for the past 13 seasons.

Kaline's Hall of Fame career as a player began in 1953 as an 18-year old signee out of Baltimore, MD. In 1955, at the age of 20, Kaline won the American League batting title with a sparkling .340 average.

The youngster went on to appear in 18 All-Star games, and to collect 10 Gold Gloves for his wizardry in rightfield. To this day, Kaline is remembered as one of the finest rightfielders ever to play.

In 22 years in a Tiger uniform, Kaline accomplished nearly everything he could have. The 1968 Tigers won the American League pennant, and defeated the St. Louis Cardinals for the World Series title in seven games. In 1974, at the age of 39, he collected his 3,000th major league hit, a feat matched by only 17 players in history. In 1980, in his first year of eligibility, Kaline was elected to the National Baseball Hall of Fame.

Kaline's achievements did not come without a struggle. A childhood foot malformation hampered Kaline through his first 12 years in the majors, causing him great discomfort until corrective surgery was performed in 1965.

Father of two sons, Kaline lives with his wife, Louise, in Bloomfield Hills, MI.

The dean of Tiger radio and television broadcasters, Hall of Famer **GEORGE KELL** has been calling Tiger baseball for 33 of the last 34 years.

A veteran of 15 seasons in the major leagues, Kell played for the Tigers for six years, 1946-51, including the memorable 1949 campaign in which he nosed out Ted Williams for the American League batting title. In six seasons in Detroit, Kell never hit below .304.

Kell topped the .300 mark in nine of his 15 seasons and finished with a lifetime batting average of .306 in 1,995 games. He represented the American League in seven All-Star games.

In 1969, he was voted the Tigers' All-Time Greatest Third Baseman and was elected to the Michigan Sports Hall of Fame. In 1983, he was enshrined in the National Baseball Hall of Fame.

While sitting out the 1957 season with an injury in Baltimore, Kell was first exposed to broadcasting. He began airing pre-game programming for the Orioles in 1958, and joined the Tigers in 1959 as a radio-television commentator. With the exception of 1964, Kell has been broadcasting Tiger baseball ever since.

Former Tiger **JIM PRICE** begins his first season as play-by-play announcer on Pro-Am Sports System's (PASS) coverage of Tiger baseball. He will work with his former teammate and current PASS analyst, Jim Northrup.

Price, 51, was a catcher for five seasons with the Tigers, 1967-71. While playing in the shadow of Tiger catching great, Bill Freehan, Price still enjoyed his moments. He was a member of the Tiger squad that beat the St. Louis Cardinals in the 1968 World Series, playing 64 games and catching 42.

In 1969, Price belted nine home runs in only 192 at-bats.

A native of Harrisburg, PA, Price was a three-sport star at Hershey (PA) HS. He refused 25 college football offers to sign with the Pittsburgh Pirates in 1960. The Tigers purchased him in April, 1967.

Price's broadcast credits include cable TV play-by-play for the White Sox, color commentary for ESPN college baseball, and weekend sports anchor for WJBK-TV in Detroit.

Price resides with his wife in Bloomfield Hills, MI.

JIM NORTHRUP begins his 8th season as the analyst on Pro-Am Sports System's coverage of Tiger baseball. His partner on the telecasts will be his former teammate, Jim Price.

A 12-year major league veteran, Northrup played his first 10 and a half seasons in Detroit, making his name as clutch hitter and solid regular outfielder. He is perhaps best remembered for hitting two grand slams in one game on June 24, 1968 at Cleveland, and for his game-winning triple in Game 7 of the 1968 World Series against St. Louis.

A native of St. Louis, MI, Northrup turned down professional football offers from the Chicago Bears and New York Titans (AFL) before signing with Detroit in 1961. He made his major league debut in 1964 and played for the Tigers into the 1974 season, when he was traded to Montreal. He concluded his career with Baltimore in 1975.

Active in the Detroit Tiger Alumni Association, Northrup, 53, resides with his wife, Pat, in Keego Harbor.

FREE AGENT DRAFT RULE—A BRIEF SUMMARY: Major League and National Association clubs meet in June for the purpose of drafting free agent player talent . . . The meeting is conducted by conference phone . . . Selection of free agent entitles the club to the exclusive right of negotiation with that player for a specified period (from date of selection until 15 days prior to next draft meeting or player enters 4-year college).

Clubs choose in inverse order of major league standings, selecting free agents and previous draftees who had not signed contracts but had instead enrolled in four-year colleges and since had either completed junior year or become 21 years of age.

SUSPENDED GAME RULE: A game terminated by curfew or by a prearranged time limit is a suspended game if it has progressed far enough to be an official game (i.e. 4-1/2 or 5 innings) (Rule 4.10).

A game terminated by light failure or malfunction of a mechanical field device under control of the home club is a suspended game any time after it begins.

Rule 4.11 (d) . . . A called game ends at the moment the umpire terminates play. EXCEPTION: If the game is called while an inning is in progress and before it is completed, the game becomes a SUSPENDED GAME in each of the following situations: (1) The visiting team has scored one or more runs to tie the score and the home team has not scored. (2) The visiting team has scored one or more runs to take the lead and the home team has not tied the score or retaken the lead.

Suspended games shall be resumed at the exact point of suspension immediately preceding the next scheduled, single game between the two clubs on the same ground . . . If this is not possible, other provisions for resumption are specified in the American League Regulation 4.12. Any LEGAL game called due to weather with the score TIED is a tie game and must be replayed in its entirety.

TRADING REGULATIONS: Major League waivers required only between August 1 and the first day after the conclusion of the season for interleague trades and trades within own league.

BATTING/PITCHING (ERA) CHAMPION QUALIFICATIONS: 502 or more plate appearances. 162 or more innings.

ROOKIE QUALIFICATIONS: A player shall be considered a rookie unless, during a previous season or seasons, he has (a) exceeded 130 at bats or 50 innings pitched in the major leagues; or (b) accumulated more than 45 days on the active roster of a major league club or clubs during the period of the 25-player limit (excluding time in military service).

SAVE RULE: A relief pitcher shall be credited with a save when he meets all three of the following conditions: 1) he is the finishing pitcher in a game won by his club; 2) he is not the winning pitcher; and 3) he qualifies under one of the following conditions: a) he enters the game with a lead of no more than three runs and pitches for at least one inning, or b) he enters the game with the potential tying run either on base, at bat, or on deck (i.e., the potential tying run is either already on base or is one of the first two batsmen he faces), or c) he pitched effectively for at least three innings.

PLAYER LIMITS: 25 players from opening day through August 31 . . . 40 players from September 1 through end of season . . . Players in military service do not count against the under control list while on active duty. Upon separation from the service, a player will be reinstated to his club's normal player limits after he has completed a 15-day trial period or has participated in a championship game, whichever comes first.

DISABLED LISTS: 15-Day Disabled List — no limit on number of players placed on this list; 60-Day Emergency Disabled List — may be used only when club is at maximum of 40 players. No limit on number of players placed on this list.

Twi-night double-headers shall be included in double-header statistics and shall be considered two night games. When afternoon and night games (separate admissions) are played on the same date, the games shall be day and night and count as single games.

AMERICAN LEAGUE CURFEW RULE: All night games must be called at 1 a.m. local time. But if an inning is started prior to 1 a.m. city time, it can be completed.

HOW TO FIGURE — BATTING AVG: Divide the number of hits by number of times-at-bat . . . **ERA:** Multiply the number of earned runs by nine and divide by number of innings pitched . . . **FIELDING:** Divide the number of errorless chances by number of total chances (assists, putouts and errors) . . . **SLUGGING:** Divide the number of total bases (one base for single, two for double, etc.) by times-at-bat . . . **MAGIC NUMBER:** Determine number of games to be played, add one, then subtract number of games ahead in loss column of second place team.

SPRING TRAINING FACTS SINCE 1966

The Tigers have trained at Lakeland since 1934, first at Henley Field and since 1966 at Marchant Stadium, a mile north. The all-concrete grandstand at Marchant Stadium was built by the City of Lakeland at a cost of $500,000, and in 1972 the first night game was played there under a new $160,000 set of lights.

Adjacent of the 12-acre tract on which the stadium is situated is Tigertown, the Tigers' minor-league training site since 1953. A plush, three-story, fireproof dormitory featuring air-conditioning, carpeted rooms and lounges on each floor, was added to the Tigertown complex in 1971. It houses 200 minor league players and officials.

For 1993 a new administration building, cafeteria and recreation center were constructed.

The Marchant Stadium grandstand seats 7,027, including 650 box seats. The Tigers' record at Marchant Stadium is 200-169-4 and 1,503,538 fans have paid to see Grapefruit League games since it opened.
